Nancy/Louise- Any comments before I formally route for AA signature?

Attached is the updated response letter to Senator Carper's request for chlorpyrifos documents. It's been cleared by OCIR/OGC front office. NOTE: this is the second draft, the first draft had less context which we asked be added.

Good Afternoon Sven,

This afternoon Rick K. suggested that I reach out to you regarding the Senator Carper request for chlorpyrifos information.

I put together a draft (please note that the draft is still under review) of what the response could look like (attached). However our office was looking for some additional guidance on how to address that we are not currently providing most of the documents the Senator has requested.

Should we
